

TAKE 50% OFF MEMBERSHIP RATES FOR A LIMITED TIME!

MCA is now offering a 50% discount on the first year's membership rates for companies that have never been a member or have not been a member for 5 or more years. Consider this limited opportunity to join an outstanding organization dedicated to expanding the use of metal in construction. All memberships are subject to MCA board approval.

All MCA activities are designed to expand the use of members' products. By joining MCA—with its strong market development program and focused and growing technical agenda—you can help strengthen metal's position in construction and reap the benefits of MCA's successful programs. You'll also receive a 10% discount on exhibiting at METALCON International; member-only access to updated technical reports, research data, and industry information on MCA's website; and networking and decision-making opportunities at MCA's twice-yearly national meetings.

APPLICATION FOR MEMBERSHIP

MCA MEMBERSHIP CATEGORIES AND ANNUAL DUES

Select the category of membership below that best describes your business. Applicants for membership must apply in the highest dues category for which their company qualifies. Discount applies to first year of membership dues only.

CATEGORY 1

~~\$15,000~~

\$7,500

MANUFACTURER

Manufacturers of metal panels and metal shingles for commercial/industrial and residential roofing applications; roofing products for low-slope and steep-slope roofs; metal panels for commercial/industrial wall applications; factory-insulated metal-sandwich wall and roof panels; commercial, industrial, residential, and special purpose buildings; metal framing for buildings; and coatings for metal coils and sheets

COIL COATER

Companies that pretreat and coat metal coils and sheets

METAL PRODUCER

Manufacturers of cold-rolled and hot-rolled uncoated, metallic-coated, and organic-coated coils and sheets

ENERGY INSULATION SYSTEMS MANUFACTURER

Manufacturers of energy and insulation systems, fiber glass insulation products, foam and vapor retardants, and energy systems (e.g., solar, BIPV)

PRE-ENGINEERED BUILDING MANUFACTURER
