

TAKE 25% OFF MEMBERSHIP RATES FOR A LIMITED TIME!

MCA is now offering a 25% discount on the first year's membership rates for companies that have never been a member or have not been a member for 5 or more years. Consider this limited opportunity to join an outstanding organization dedicated to expanding the use of metal in construction. All memberships are subject to MCA board approval. This offer expires March 31, 2022.

The Metal Construction Association (MCA) is dedicated to promoting the use of metal in the building envelope. By joining MCA, you can help strengthen the use of metal in construction and reap the benefits of MCA's successful programs. We offer unparalleled technical and coding resources, opportunities to make your voice heard as we promote metal to the broader construction and design industry, and unique opportunities to network and collaborate with industry peers. As an MCA member, you set yourself apart from competitors with access to this vast array of resources and an unsurpassed depth of knowledge of the industry.

APPLICATION FOR MEMBERSHIP

MCA MEMBERSHIP CATEGORIES AND ANNUAL DUES

Select the category of membership below that best describes your primary business. The 25% discount applies to the first year of membership dues for categories 1–3.

CATEGORY 1

~~\$16,125~~

\$12,100

MANUFACTURER

Manufacturers of metal panels and metal shingles for commercial/industrial and residential roofing applications; roofing products for low-slope and steep-slope roofs; metal panels for commercial/industrial wall applications; factory-insulated metal-sandwich wall and roof panels; commercial, industrial, residential, and special purpose buildings; metal framing for buildings; and coatings for metal coils and sheets

COIL COATER

Companies that pretreat and coat metal coils and sheets

METAL PRODUCER

Manufacturers of cold-rolled and hot-rolled uncoated, metallic-coated, and organic-coated coils and sheets

ENERGY INSULATION SYSTEMS MANUFACTURER

Manufacturers of energy and insulation systems, fiber glass insulation products, foam and vapor retardants, and energy systems (e.g., solar, BIPV)

PRE-ENGINEERED BUILDING MANUFACTURER

CATEGORY 2

~~\$10,750~~

\$8,100

DISTRIBUTOR

Distributors of bare, prepainted, and metallic-coated coils and sheets; metal panels, components, and construction products; and manufacturer's representatives

EQUIPMENT MANUFACTURER

Manufacturers of coil-handling equipment, fabricating and formatting machinery and equipment, metal presses and flying cutoff dies, rollforming equipment, and rotary-cutting machinery

ACCESSORIES MANUFACTURERS

Manufacturers of fasteners, tapes and sealants, pretreatment chemicals, snow-retention devices, ventilating systems, doors, specialty metal products, mobile work platforms, components, portable cordless and electric power tools, and sealants for the metal construction industry

CATEGORY 3

~~\$3,225~~

\$2,400

REGIONAL ROLLFORMER

Producers of metal panels using portable rollforming equipment that ships products a distance of less than 150 miles.

FABRICATOR

Fabricators and fabricators of metal composite material

PROFESSIONAL ORGANIZATIONS AND ASSOCIATIONS

Architectural firms, research and testing facilities, trade associations, and professional services organizations servicing or affiliated with the metal construction industry.

MEDIA AND PUBLICATIONS

Trade publications serving construction or related industries.

CATEGORY 4*

\$995

Note: Not eligible for 25% off promotion.

CONTRACTORS AND INDIVIDUAL PRACTITIONERS

Nonmanufacturing installers and individuals

ONSITE ROLLFORMERS

Jobsite rollformers of metal roofing and wall panels made exclusively for use on their own projects.

ASSOCIATE MEMBERS

Independent architects, consultants, and engineers. Associate members may not vote on association matters or hold office.

CATEGORY 5*

\$1,500

Note: Not eligible for 25% off promotion.

SPECIAL ASSOCIATE PARTICIPANT

A company that has a supply chain relationship with the manufacturer/fabricator members of an MCA council but is not eligible for membership in Categories 1–4. Category 5 companies can participate in the MCM and/or IMP Alliance for an additional fee but not to vote on association matters or hold office.

Send me information about participating in the:

- MCM Alliance *(supports product performance testing, initiates research, and promotes education and actions to influence public policies for the utilization of growth of metal composite materials in the marketplace.)*
- IMP Alliance *(supports marketing and technical initiatives to further the use of insulated metal panels in the construction industry)*
